Submit

Resend in: 01:26

Attempt(s) left: 2

1. Open

[https://account.cygnature.io/](https://account.cygnature.io/Account/Login)

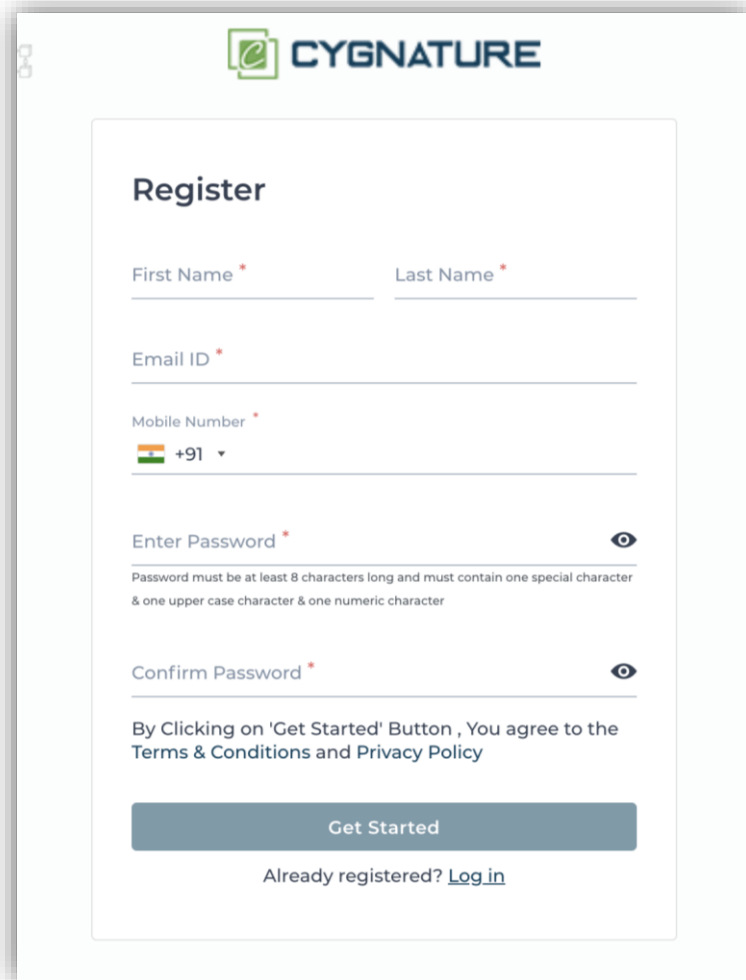

[Account/Login](#) in browser

2. Enter Login Email Id ,  
Password and Click Sign in

3. You will receive an OTP on  
Registered Mobile Number and  
Email Id

4. Enter the OTP in the field  
and Click Submit

# Login to Cygnature (for New Users)

The image shows a web browser window displaying the Cygnature registration page. The page has a white background with a light gray border. At the top left, there is a small icon of two people. To its right is the Cygnature logo, which consists of a green square with a white leaf-like shape inside, followed by the word "CYGNATURE" in blue capital letters. Below the logo, the word "Register" is written in bold black text. The form contains several input fields: "First Name" and "Last Name" (both with red asterisks), "Email ID" (with a red asterisk), and "Mobile Number" (with a red asterisk). The "Mobile Number" field has a dropdown menu showing the Indian flag and "+91". Below these fields are two password fields: "Enter Password" and "Confirm Password", both with red asterisks and eye icons to the right. A small text note below the first password field states: "Password must be at least 8 characters long and must contain one special character & one upper case character & one numeric character". Below the password fields is a line of text: "By Clicking on 'Get Started' Button , You agree to the Terms & Conditions and Privacy Policy". At the bottom of the form is a blue button with the text "Get Started". Below the button, there is a link that says "Already registered? [Log in](#)".
